

## THE SPA at Rockport Rewards Program

Loyal customers are a vital part of any business's success. It is with great appreciation to you, our loyal customer, that we offer this rewards program!

Beginning on December 1, 2008 you will have the opportunity to join our rewards program. This is a free program for all of our customers. There are no minimum requirements to become a member or to maintain your membership. Simply make purchases and watch your rewards add up.

How it works: Our reward system will record all of your purchases (services, product and gift cards!) and will credit your account with a \$10.00 reward for every \$500.00 spent. You may utilize your reward immediately or allow it to grow for future use. Rewards do not expire and there is no need to carry or present a rewards card! Can it be any more simple than that?

**And now for the fine print:** Oh, we're sorry there is no fine print. *The SPA* is here to help you relax. Keeping things simple is one way we can accomplish this goal. 😊
